^b 1992 marked the peak year for the violent crime rate for the period shown on the trend chart (1983-2007).

^c 1989 marked the peak year for the property crime rate for the period shown on the trend chart (1983-2007).

¹ Rates are based on annual population estimates provided by the Demographic Research Unit, California Department of Finance.

Notes: Data collection began in 1981.

Because of the individual nature of the requirements of Penal Code section 832.5(a), reporting definitions and procedures vary among reporting agencies.

The data collected under Penal Code section 13012(e) are accurate and complete to the extent that the contributing agency or agencies met reporting obligations.

¹ Based on a survey conducted in 2004, it is estimated that complaints from inmates in prisons and jails may constitute approximately one-third of all complaints reported by law enforcement agencies.

^a The increase in the number of reported non-criminal complaints and the decrease in the number of reported felony complaints are both attributed to reporting policy changes made by two law enforcement agencies.
