Location	Data Element	Description/Definition	Value
A	CountyNumber	County number	Numeric Value (1 – 58)
B	CountyName	Name of county (This variables can be dropped from the SPSS version of the dataset without losing information.)	Nominal Value
C	ReportingCategory	Reporting category the agency falls within based upon their number of sworn non-jail personnel reported to the Department of Justice in May of 2017	Numeric Value (1 – 4)
D	NCIC	The NCIC number of the Agency that reported the complaints.	Four digit alphanumeric
E	AgencyName	The literal name of the Agency that reported the complaints.	alphanumeric
F	TotalSworn	Total number of sworn personnel employed by the agency in 2016	Numerical Count
G	TotalComplaintsReported	The total number of complaints reported.	Numerical Count
H	NonCriminalReported	The number of non-criminal complaints reported.	Numerical Count
I	MisdemeanorReported	The number of misdemeanor complaints reported.	Numerical Count
J	FelonyReported	The number of felony complaints reported.	Numerical Count
K	TotalComplaintsInDetentionReported	The total number of complaints reported by local detention facilities.	Numerical Count
L	NonCriminalInDetentionReported	The number of non-criminal complaints reported by local detention facilities.	Numerical Count
M	MisdemeanorInDetentionReported	The number of misdemeanor complaints reported by local detention facilities.	Numerical Count

Location	Data Element	Description/Definition	Value
N	FelonyInDetentionReported	The number of felony complaints reported by local detention facilities.	Numerical Count
O	TotalProfilingComplaintsReported	The total number of complaints reported with a racial or identity profiling component.	Numerical Count
P	RaceEthnicityReported	The number of complaints reported with a race/ethnicity profiling component.	Numerical Count
Q	NationalityReported	The number of complaints reported with a nationality profiling component.	Numerical Count
R	GenderReported	The number of complaints reported with a gender profiling component.	Numerical Count
S	AgeReported	The number of complaints reported with an age profiling component.	Numerical Count
T	ReligionReported	The number of complaints reported with a religion profiling component.	Numerical Count
U	GenderIdentityExpressionReported	The number of complaints reported with a gender identity/expression profiling component.	Numerical Count
V	SexualOrientationReported	The number of complaints reported with a sexual orientation profiling component.	Numerical Count
W	MentalDisabilityReported	The number of complaints reported with a mental disability profiling component.	Numerical Count
X	PhysicalDisabilityReported	The number of complaints reported with a physical disability profiling component.	Numerical Count
Y	TotalComplaintsSustained	The total number of complaints sustained.	Numerical Count
Z	NonCriminalSustained	The number of non-criminal complaints sustained.	Numerical Count
AA	MisdemeanorSustained	The number of misdemeanor complaints sustained.	Numerical Count

Location	Data Element	Description/Definition	Value
AB	FelonySustained	The number of felony complaints sustained.	Numerical Count
AC	TotalComplaintsInDetentionSustained	The total number of complaints reported by local detention facilities that were sustained.	Numerical Count
AD	NonCriminalInDetentionSustained	The number of non-criminal complaints reported by local detention facilities that were sustained.	Numerical Count
AE	MisdemeanorInDetentionSustained	The number of misdemeanor complaints reported by local detention facilities that were sustained.	Numerical Count
AF	FelonyInDetentionSustained	The number of felony complaints reported by local detention facilities that were sustained.	Numerical Count
AG	TotallProfilingComplaintsSustained	The total number of complaints with a racial or identity profiling component that were sustained.	Numerical Count
AH	RaceEthnicitySustained	The number of complaints with a race/ethnicity profiling component that were sustained.	Numerical Count
AI	NationalitySustained	The number of complaints with a nationality profiling component that were sustained.	Numerical Count
AJ	GenderSustained	The number of complaints with a gender profiling component that were sustained.	Numerical Count
AK	AgeSustained	The number of complaints with an age profiling component that were sustained.	Numerical Count
AL	ReligionSustained	The number of complaints with a religion profiling component that were sustained.	Numerical Count
AM	GenderIdentityExpressionSustained	The number of complaints with a gender identity/expression profiling component that were sustained.	Numerical Count
AN	SexualOrientationSustained	The number of complaints with a sexual orientation profiling component that were sustained.	Numerical Count

Location	Data Element	Description/Definition	Value
AO	MentalDisabilitySustained	The number of complaints with a mental disability profiling component that were sustained.	Numerical Count
AP	PhysicalDisabilitySustained	The number of complaints with a physical disability profiling component that were sustained.	Numerical Count
AQ	TotalComplaintsExonerated	The total number of complaints exonerated.	Numerical Count
AR	NonCriminalExonerated	The number of non-criminal complaints exonerated.	Numerical Count
AS	MisdemeanorExonerated	The number of misdemeanor complaints exonerated.	Numerical Count
AT	FelonyExonerated	The number of felony complaints exonerated.	Numerical Count
AU	TotalComplaintsInDetentionExonerated	The total number of complaints reported by local detention facilities that were exonerated.	Numerical Count
AV	NonCriminalInDetentionExonerated	The number of non-criminal complaints reported by local detention facilities that were exonerated.	Numerical Count
AW	MisdemeanorInDetentionExonerated	The number of misdemeanor complaints reported by local detention facilities that were exonerated.	Numerical Count
AX	FelonyInDetentionExonerated	The number of felony complaints reported by local detention facilities that were exonerated.	Numerical Count
AY	TotalProfilingComplaintsExonerated	The total number of complaints with a racial or identity profiling component that were exonerated.	Numerical Count
AZ	RaceEthnicityExonerated	The number of complaints with a race/ethnicity profiling component that were exonerated.	Numerical Count
BA	NationalityExonerated	The number of complaints with a nationality profiling component that were exonerated.	Numerical Count
BB	GenderExonerated	The number of complaints with a gender profiling component that were exonerated.	Numerical Count
BC	AgeExonerated	The number of complaints with an age profiling component that were exonerated.	Numerical Count

Location	Data Element	Description/Definition	Value
BD	ReligionExonerated	The number of complaints with a religion profiling component that were exonerated.	Numerical Count
BE	GenderIdentityExpressionExonerated	The number of complaints with a gender identity/expression profiling component that were exonerated.	Numerical Count
BF	SexualOrientationExonerated	The number of complaints with a sexual orientation profiling component that were exonerated.	Numerical Count
BG	MentalDisabilityExonerated	The number of complaints with a mental disability profiling component that were exonerated.	Numerical Count
BH	PhysicalDisabilityExonerated	The number of complaints with a physical disability profiling component that were exonerated.	Numerical Count
BI	TotalComplaintsNotSustained	The total number of complaints not sustained.	Numerical Count
BJ	NonCriminalNotSustained	The number of non-criminal complaints not sustained.	Numerical Count
BK	MisdemeanorNotSustained	The number of misdemeanor complaints not sustained.	Numerical Count
BL	FelonyNotSustained	The number of felony complaints not sustained.	Numerical Count
BM	TotalComplaintsInDetentionNotSustained	The total number of complaints reported by local detention facilities that were not sustained.	Numerical Count
BN	NonCriminalInDetentionNotSustained	The number of non-criminal complaints reported by local detention facilities that were not sustained.	Numerical Count
BO	MisdemeanorInDetentionNotSustained	The number of misdemeanor complaints reported by local detention facilities that were not sustained.	Numerical Count
BP	FelonyInDetentionNotSustained	The number of felony complaints reported by local detention facilities that were not sustained.	Numerical Count
BQ	TotalProfilingComplaintsNotSustained	The total number of complaints with a racial or identity profiling component that were not sustained.	Numerical Count

Location	Data Element	Description/Definition	Value
BR	RaceEthnicityNotSustained	The number of complaints with a race/ethnicity profiling component that were not sustained.	Numerical Count
BS	NationalityNotSustained	The number of complaints with a nationality profiling component that were not sustained.	Numerical Count
BT	GenderNotSustained	The number of complaints with a gender profiling component that were not sustained.	Numerical Count
BU	AgeNotSustained	The number of complaints with an age profiling component that were not sustained.	Numerical Count
BV	ReligionNotSustained	The number of complaints with a religion profiling component that were not sustained.	Numerical Count
BW	GenderIdentityExpressionNotSustained	The number of complaints with a gender identity/expression profiling component that were not sustained.	Numerical Count
BX	SexualOrientationNotSustained	The number of complaints with a sexual orientation profiling component that were not sustained.	Numerical Count
BY	MentalDisabilityNotSustained	The number of complaints with a mental disability profiling component that were not sustained.	Numerical Count
BZ	PhysicalDisabilityNotSustained	The number of complaints with a physical disability profiling component that were not sustained.	Numerical Count
CA	TotalComplaintsUnfounded	The total number of complaints unfounded.	Numerical Count
CB	NonCriminalUnfounded	The number of non-criminal complaints unfounded.	Numerical Count
CC	MisdemeanorUnfounded	The number of misdemeanor complaints unfounded.	Numerical Count
CD	FelonyUnfounded	The number of felony complaints unfounded.	Numerical Count
CE	TotalComplaintsInDetentionUnfounded	The total number of complaints reported by local detention facilities that were unfounded.	Numerical Count

Location	Data Element	Description/Definition	Value
CF	NonCriminalInDetentionUnfounded	The number of non-criminal complaints reported by local detention facilities that were unfounded.	Numerical Count
CG	MisdemeanorInDetentionUnfounded	The number of misdemeanor complaints reported by local detention facilities that were unfounded.	Numerical Count
CH	FelonyInDetentionUnfounded	The number of felony complaints reported by local detention facilities that were unfounded.	Numerical Count
CI	TotalProfilingComplaintsUnfounded	The total number of complaints with a racial or identity profiling component that were unfounded.	Numerical Count
CJ	RaceEthnicityUnfounded	The number of complaints with a race/ethnicity profiling component that were unfounded.	Numerical Count
CK	NationalityUnfounded	The number of complaints with a nationality profiling component that were unfounded.	Numerical Count
CL	GenderUnfounded	The number of complaints with a gender profiling component that were unfounded.	Numerical Count
CM	AgeUnfounded	The number of complaints with an age profiling component that were unfounded.	Numerical Count
CN	ReligionUnfounded	The number of complaints with a religion profiling component that were unfounded.	Numerical Count
CO	GenderIdentityExpressionUnfounded	The number of complaints with a gender identity/expression profiling component that were unfounded.	Numerical Count
CP	SexualOrientationUnfounded	The number of complaints with a sexual orientation profiling component that were unfounded.	Numerical Count
CQ	MentalDisabilityUnfounded	The number of complaints with a mental disability profiling component that were unfounded.	Numerical Count
CR	PhysicalDisabilityUnfounded	The number of complaints with a physical disability profiling component that were unfounded.	Numerical Count

Location	Data Element	Description/Definition	Value
CS	TotalComplaintsPending	The total number of complaints that are pending.	Numerical Count
CT	NonCriminalPending	The number of non-criminal complaints that are pending.	Numerical Count
CU	MisdemeanorPending	The number of misdemeanor complaints that are pending.	Numerical Count
CV	FelonyPending	The number of felony complaints that are pending.	Numerical Count
